Confirmation of the Compliance guidelines of the ANDRITZ group:

The supplier confirms that

- he got and read the „ANDRITZ code of conduct and ethics for suppliers” that is published on the following website: www.andritz.com[1];
- he covenants to stick to the supply codex of the ANDRITZ group and confirms that this is the fundament for current and future business relations with ANDRITZ (ANDRITZ AG and their involved organizations);
- this ANDRITZ-supply codex is part between the supplier and the final agreement of the ANDRITZ group, irrespective if it is referenced in the contract or not;
- he is taken on responsibility for the adherence to the supply codex through his staff, representative of the organization as well as his subcontractors and business partners which he needed for the delivery of products and/or output within the scope of the business relations.

ANDRITZ reserves the right to resign the business relations or the contract if there is a fundamental infringement against the designation that is announced in the supply codex of ANDRITZ. In case of a committed infringement the supplier has to hold against the ANDRITZ supply codex harmless and uncomplaining.
