

## Foreign Trade Data / Export Controls

For export controls reasons, it is essential that you inform us in case you deliver listed goods to Brazil, i.e. goods which require an export license.

If this is the case, we kindly request you to provide the following information about the respective good(s) on Order Confirmations, shipping documents and Invoices:

- Customs Tariff Number
- Country of Origin

In case of a deliver that Prensas Schuler Brazil requests you to send material directly to a Chinese location, we kindly also request you to send us:

- CCC (China Compulsory Certificate) – only for electrical material

In case of questions, please contact Ms. Mayara Araujo ([mayara.araujo@schulergroup.com](mailto:mayara.araujo@schulergroup.com))

**For better orientation, please find examples of product groups that may under certain conditions be listed:**

Description of Goods	Customs tariff number / NCM
Steel plate	7225.40.90
Hinge	8302.10.00
