

FORMING THE FUTURE

SCHULER SERVICE

Servicing the pressing industry in Poland

SCHULER POLAND. OVERVIEW.

As the technological and global market leader in metalforming, Schuler supplies machines, production lines, dies, process know-how and services for the entire metal-working industry.

Its clients include car manufacturers and their suppliers, as well as companies in the forging, household equipment and electrical industry. Schuler is also the market leader in coin minting technology. The company is represented by its own facilities and sales offices in 40 nations around the world.

ON-SITE, WORLDWIDE.

Service makes the difference. Nowadays, comprehensive services for all aspects of press and automation technology are extremely important in metalforming production. Schuler service is there for you; it is reliable and offers individual flexibility. More than 900 highly qualified employees work around the world. We feel responsible for your entire production process.

The service spectrum offered by Schuler Poland Service includes:

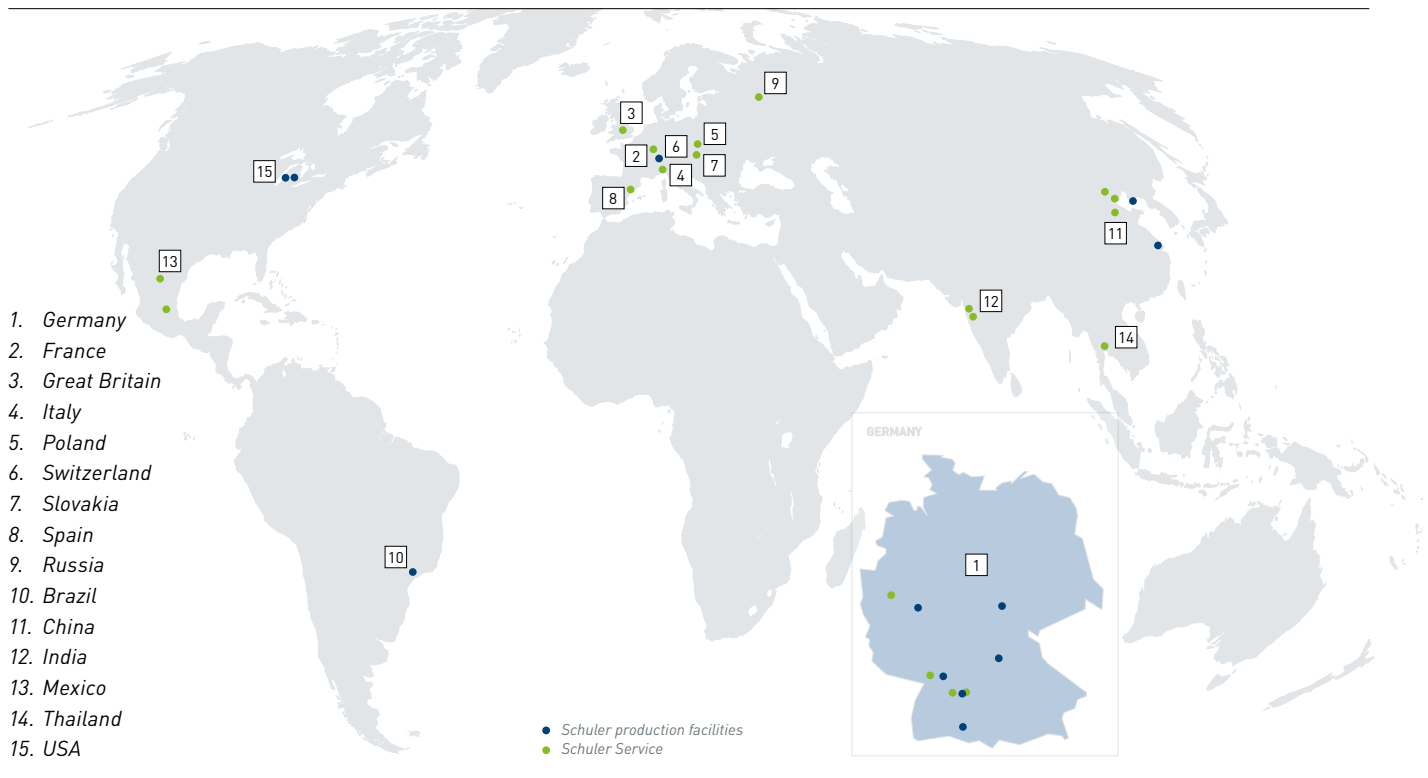

- Production launches
- Accompanied manufacturing
- Repairs
- Spare parts
- Training

SCHULER AROUND THE WORLD – FORMING THE FUTURE

Schuler is the technological and global market leader in forming equipment. We offer presses, automation, dies, process know-how and services for the entire metal forming industry. Our clients include car manufacturers and their suppliers, as well as companies in the forging, appliance, packaging, energy and electrical industries. We are the market leader in coin minting presses and supply systems solutions for the aerospace, railway and large pipe industries. Innovation is in our DNA: Schuler technology ensures maximum productivity, high levels of energy-efficiency and reliable mass manufacturing – also of lightweight parts. We showcase this cutting-edge technology at our TechCenters around the world. With around 5,200 employees, Schuler is represented in 40 countries and is a member of the Austrian ANDRITZ Group.

SCHULER SERVICE WORLDWIDE.

Over 900 service employees worldwide provide expert support 24/7 in close cooperation with you – our partners. Our main priority is always to ensure the ultimate productivity and safety of your production equipment in order to secure your company's continued success.

With over 175 years of experience and expertise, we can guarantee the best possible support for the operation of your machines – and not only those supplied by Schuler, but by all other manufacturers. Whatever the situation, Schuler Service has the right solution for your specific needs.
